

Name: **DIETER E. KAUPP**

Single, 1 Daughter

EDUCATION:

- Associate Degree - Clover Park Technical Institute, Tacoma, WA; Major - TV Broadcasting
- California Polytechnic State University, San Luis Obispo, CA; Major - Broadcast Journalism
- Graduate of Frankfurt American High School, Frankfurt, Germany
- Hold First Class FCC License
- Speak and understand conversational German

EXPERIENCE:

- On Location Productions**, Austin, Tx.-Independent Contractor. Shooting primarily documentaries, news magazine, special events, sports and corporate projects.
- VOX-TV** in Köln, Germany. Cameraman for Germany's newest private news and infotainment broadcaster covering news, magazine and short documentaries throughout Europe and Asia.
- Deutsche Fernsehnachrichtung Agentur (DFA)**, in the Bonn bureau. The largest news service agency in Germany. Involved traveling throughout Europe and the U.S. covering stories contracted to us by various German broadcasters private and public (e.g. ZDF, ARD, RTL, SAT-1, PRO-7)
- KTBC Channel 7**, Austin, Tx. Photographer/Editor: General Assignments, SNG, Live Remotes, Series, Photo-Essays, Sports, Aerial Photography.
- KFMB Channel 8**, San Diego, CA. Involved setting up and running camera on various studio commercial productions as well as the daily newscast.
- KCST Channel 39**, San Diego, CA. (vacation relief). Video tape coordinator. Involved working with the news director and producer to prepare in chronological order each edited news story that would air by having them dubbed on to a master reel.
- KOBI Channel 5**, Medford, OR. Worked in Master Control. Duties involved switching all aspects of on-air programs and commercials. Also directed the 6 and 10 o'clock newscast each evening.
- Northwest Mobile Television (NMT)**, Seattle, WA. Freelance cameraman for this independent remote company on various CBS Sport remotes covering NFL and NBA games.
- KCPQ Channel 13 (PBS)**, Tacoma, WA. Received on-air experience on various studio and control room techniques as well as sport remotes with station's remote unit.
